

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE PETITION OF DUSMIKE NATURAL GAS)
COMPANY FOR APPROVAL OF TRANSFER OF) CASE NO. 95-580
JOHNSON COUNTY GAS COMPANY)

O R D E R

The Commission has before it a petition of Dusmike Natural Gas Company ("Dusmike") for approval of its acquisition of Johnson County Gas Company ("Johnson County") from the Kentucky Municipal Gas Utility Investment Trust. The petition is flawed on its face and must therefore be dismissed. At paragraphs 7, 8, and 9 of the petition, Dusmike alleges that reinstatement of a surcharge terminated by the Commission on June 1, 1994, is "necessary for the repayment" of indebtedness Dusmike would assume under the transfer agreement. Reinstatement of the surcharge would clearly be a change in Johnson County's rates and therefore could only be accomplished after the utility had complied with the requirements of KRS 278.180 and KRS 278.190, and the regulations promulgated pursuant to those statutes.

As the petition alleges that such a change in rates is "necessary" to support the utility's debt and such a change cannot be made in this proceeding, the Commission could not find that Dusmike has the financial capability to provide reasonable service under KRS 278.020(4). Furthermore, given the history of the

utility,¹ the Commission could not find that a transfer under these circumstances would be in the public interest under subsection (5) of that statute.
